Career Service Awards

Purpose

This National Civil Service League program is undertaken to strengthen the public service by bringing national recognition to significant careers in the Federal service.

The League will grant awards to ten career employees who exemplify in an outstanding manner the primary characteristics of the career service: efficiency, achievement, character, and service. Extensive publicity through television, radio, magazines, and newspapers will be given to the selections and the presentation of the awards.

The Award

The Career Service Award recipients will be presented with a scroll and will be guests of honor at a dinner in Washington, D. C. to be addressed by a nationally prominent speaker and attended by many leaders of government, business, education, and the professions.

Basis of Selection

1. Efficiency and achievement

A record of exceptional efficiency; evidence of sustained superior performance and accomplishment.

2. Character

A record of integrity and devotion to the principles of public service.

3. Service

At least 10 years (including military service), not necessarily all in one agency. This must give evidence of achievement and career progression.
